

2010 DSLPOA “Thank Yous!”

- As Always a big thank you to Bob McNaull, a member of the Curling Club and our association for helping to make sure that everything is ready for the AGM
- Thanks you to CRS for once again providing the BBQ for our corn roast, just one of the many items they have for rent
- Thank you to Michael Stinson for making sure we have picnic tables at our Fun Day
- Thanks to Vista Signs and Chris Youngdale for providing 911 signs again and holding the 2005 rate for members
- Thanks to Joe and Samantha Parkinson who ran not only the Novelty Swim but also Fun Day last year, without them there might not have been a Fun Day
- Thanks to Nancy & Larry Hussey and Leo and Diane McCarthy for loaning their boats to be used for the loon survey
- Thanks to Gunars Vestfals for the new floating loon nest on the lake. Lets hope the loons use it!
- A large THANK YOU to all those who volunteer for the many jobs that need to be done at our summer events, without your assistance they wouldn't brighten our summer and make our lakes such a great community!
